Subject: Records request re: medical marijuana

Mr. Figueroa,

Our office received a public records request from you, a request that is very similar to one that you placed on June 2012.

I have attached that request from last year and our responses to that. Our response to this year's request will be the similar responses we sent you via mail. Everything indicated in those correspondences still holds true and current. Thus, we will be waiting for the appropriate remittance, as you can refer to the 4th attached document.

Thank you.
