Mr. Figueroa-

Pursuant to your letter received by our office on June 13, 2013 and a subsequent telephone conversation with your associate for any and all documentation relating to current guidelines for medical marijuana businesses/dispensaries/collectives attempting to operate within the city limits, the City of Salinas is producing the following document responsive to your request:

- Salinas City Code sections 16B-1 through 16B-4 (see attached)

Because this information is available free of charge on our City's website, there is no charge for this response.

The City believes we have now fulfilled our complete obligation under the California Public Records Act. Please contact me with further questions regarding this request.

Sincerely,

-Anais
