RE: California Public Records Request

Dear Mr. Figueroa:

On June 18, 2013, the San Bernardino County Sheriff's Department (Department) received your undated request for documents and information concerning medical marijuana. It has been noted that the Department has previously responded to a request submitted by your office last year seeking the same information.

The Department is not in possession of any new or updated information and reiterates the response of June 22, 2012, a copy of which is enclosed for your reference.

Very truly yours,

JEAN-RENE BASLE County Counsel
