Re: California Public Records Act Request

Dear Mr. Figueroa:

On June 14, 2013, we received your undated request under the California Public Records Act (CPRA) for -

“Any and all documents or information concerning medical marijuana, Proposition 215 (codified as Health and Safety Code § 11362.5) and/or Senate Bill 420 (codified as Health and Safety Code §§ 11362.7-11362.83), including, but not limited to, any and all guidelines, bulletins, orders, directives, policies, and/or protocols. Please provide any and all documents or information concerning medical marijuana doctors, patients, caregivers, dispensaries, collectives, cooperatives and/or associations.”

We respond as follows:

On several earlier occasions (including June 1, 2006, July 12, 2010 and July 26, 2011) you have made markedly similar requests to this office to which we have responded and provided non-exempt documents. Unless you advise otherwise, it is not my intention to resend the materials we have provided in response to those earlier requests. I assume you would not want to incur copying costs for documents you already have. However, on today's date, I did speak by telephone with “Marco” at your office and he specifically requested that we resend a copy of our (18 page) Medical Marijuana Prosecution Protocol (which was sent to you on August 12, 2011). A copy of that document is enclosed herewith. You may remit \$1.80 (.10 per page) to this office at your earliest convenience.
