

1 Supervisors adopted another amendment to Ordinance No. 348
2 clarifying that cultivation of marijuana is prohibited in all zone
3 classifications within the unincorporated areas of Riverside County
4 and that no permit of any type shall be issued for marijuana
5 cultivation.

6 d. On June 2, 2015, the Board of Supervisors adopted Ordinance No.
7 925 declaring marijuana cultivation, either indoors or outdoors, upon
8 any premises within all unincorporated areas to be prohibited and a
9 public nuisance subject to abatement and administrative and civil
10 penalties.

11 e. On December 15, 2015, the Board of Supervisors adopted Ordinance
12 No. 928 prohibiting mobile marijuana dispensaries and marijuana
13 deliveries and declaring such activities to be a public nuisance.

14 f. Through its prior actions, the Board of Supervisors has made clear its
15 position with regard to marijuana dispensaries, including mobile
16 dispensaries, and cultivation under its land use authority and police
17 powers.

18 g. The Federal Controlled Substances Act, 21 U.S.C. §§ 801 et seq.,
19 classifies marijuana as a Schedule I Drug, which is defined as a drug
20 or other substance that has a high potential for abuse, that has no
21 currently accepted medical use in treatment in the United States, and
22 that has not been accepted as safe for use under medical supervision.
23 The Federal Controlled Substances Act makes it unlawful, under
24 federal law, for any person to cultivate, manufacture, distribute or
25 dispense, or possess with intent to manufacture, distribute or dispense,
26 marijuana. The Federal Controlled Substances Act contains no
27 exemption for the cultivation, manufacture, distribution,
28 dispensation, or possession of marijuana for medical purposes.

1 h. On June 27, 2017, the Governor signed Senate Bill 94, the Medicinal
2 and Adult-Use Cannabis Regulation and Safety Act (“MAUCRSA”).
3 The MAUCRSA unifies both the medical regulatory scheme of the
4 Medical Cannabis Regulation and Safety Act (2015) and the adult-
5 use scheme of the Adult-Use of Marijuana Act (2016) to achieve a
6 single regulatory structure at the state level. The MAUCRSA shifts
7 from the term “marijuana” to “cannabis.” The MAUCRSA continues
8 to recognize local control and the state cannot approve licenses for
9 cannabis businesses and cannabis activities, including deliveries, if
10 the license would not be in compliance with a local government’s
11 ordinances or regulations. The MAUCRSA continues to recognize the
12 ability of local governments to prohibit all outdoor cultivation and
13 any other cannabis businesses and cannabis activities. The
14 MAUCRSA makes clear that nothing in the MAUCRSA is to be
15 interpreted to supersede or limit the County’s authority to adopt and
16 enforce local ordinances to regulate cannabis businesses and cannabis
17 activities licensed by the state, up to and including the County’s right
18 to ban the activity.

19 i. The purpose of this ordinance is to clarify the County’s
20 existing prohibition on cannabis deliveries, which already includes a
21 ban on mobile cannabis dispensaries, by explicitly prohibiting
22 cannabis deliveries within all unincorporated areas of Riverside
23 County until the County adopts a comprehensive regulatory
24 framework for medical and adult-use cannabis businesses and
25 cannabis activities.

26 Section 2. AUTHORITY. This ordinance is adopted pursuant to the authority granted

26 this ordinance is not subject to criminal penalties.

28 this ordinance or the application thereof to any person or circumstances shall be held invalid,

2 effect without the invalid provision or application, and to this end, the provisions of this
3 ordinance are hereby declared to be severable.”

4 Section 2. EFFECTIVE DATE. This ordinance shall take effect thirty (30) calendar days after
5 its adoption.
